

STEP 1

DOWNLOAD THE ZOOM APP

Our online party will be hosted on a platform called Zoom. This is an online platform that allows us to connect during this time of social distancing. The app can be found on any app store on your mobile device or online through your laptop/computer.

STEP 2

PREPARE YOUR SPACE

Grab some decorations, party wear, and your dinner
and sit in a space free from distractions! Be fully
present for our party!

STEP 3

SIGN ON A FEW MINUTES BEFORE THE PARTY

We will send out a link prior to our party which enables you to sign on, familiarize yourself with the platform and check your audio and video!

**WHAT IF I DON'T HAVE ACCESS
TO A COMPUTER OR DEVICE?**

FEAR NOT.

The Zoom platform allows us to provide a direct phone number for you to call in and listen to the festivities. Please only use this option if you must. Our online celebration includes many visual aspects, video messages, and the opportunity to connect and see nurses from all across the Peel Region!
