

THE GERONTOLOGICAL
NURSING ASSOCIATION
ONTARIO

Dear GNAO Members,

We are excited to announce that we are hosting our 11th annual **Sinai Health/UHN Geriatrics Institute Education Day** on **Thursday June 24, 2021** from **9:00 AM - 3:15 PM** via ZOOM.

Together we will explore a number of timely and relevant topics including health equity, mental health, palliative care and family caregiving, with a diverse groups of presenters and attendees including leading health experts, allied health professionals, community support service providers, family caregivers and older adults.

Our **Back to the Future** themed program [VIEW HERE](#) will guide our presentations, discussions and networking activities to build on our shared experience of providing or receiving health care during the COVID-19 pandemic, as we aspire to collectively transform the future of geriatric care.

Sincerely,

Dr. Samir Sinha

Director of Geriatrics, Sinai Health and University Health Network

Early Bird Registration Fee is \$25 per person until June 4th and then will be \$40 thereafter.

Registration is open until June 18th, 2021. Note that the registration link is best compatible with Chrome or Firefox.
