

Understanding the Experiences of Young Adults Receiving Community-Based Eating Disorder Care

Register now to attend a virtual RNAO Mental Health Nursing Interest Group presentation from Hali Sitarz NP, PhD.

You will have the opportunity to:

- Explore the current landscape of community-based eating disorder care in Ontario for young adults
- Understand some of the unique needs of young adults receiving community-based eating disorder care
- Collaborate about potential opportunities for further inquiry/improved quality care delivery

Hali Sitarz, NP, PhD
RNAO Windsor Chapter Policy and Political Action ENO

WHEN

*Tuesday July 25, 2023
6- 7 pm*
